### **3. COUNTY BOROUGH COUNCILLOR'S REPORTS**

Cllr Kelly opened by saying that he had attended a police strategy meeting and said that the police were using the PCSO's as a response mechanism. Attendance at Community Council meetings had been discussed and may be reduced to quarterly attendance. Cllr Rogers said that there had been an instance of 2 PCSO'S covering the whole of the North Area. Cllr Kelly said he had been contacted by Cllr Woodfine-Jones via e-mail requesting that he asked WCBC about the 2 bills the Clerk had received regarding the King George Field repairs. BCC had recently taken over the maintenance of this play area and had received 2 invoices totalling approx. £1500.00 for repairs. The Clerk had queried this as WCBC had been maintaining it prior to the CC taking over the SLA. Cllr Woodfine-Jones proposed that the Clerk contact Martin Howarth and ask for the Rosper report for the previous year. This was seconded by Cllr Ashworth. A vote was taken. All were in favour. Cllr Kelly said that he had met with Hugh Jones and Denise Garland to discuss the land that Bwlchgwyn Village Hall had been built on. The Fields in trust had requested that a piece of land in Bwlchgwyn be transferred to them in return for the loss of land where the Village hall stood. BCC would have to agree to the transfer as they were the custodians of the land. Cllr Kelly suggested that the fields in trust deal directly with WCBC as this would be quicker. Cllr Rogers said that this was a way forward and hoped to hear from WCBC soon. Cllr Kelly said that the residents meeting had discussed the speeding issues in Bwlchgwyn. There were varied opinions. Concerns had been raised by residents and had been e-mailed to Darren Green. The volume of traffic on the old road was greater than through the village. Cllr Kelly and Darren Green had discussed various options. Cllr Kelly said that to move forward with a decision he would meet with Cllr Tilston, Cllr Woodfine-Jones and Darren Green. Cllr Woodfine-Jones proposed that the CC backed this decision. Cllr Mathews seconded the proposal. A vote was taken. All were in favour.

Cllr Rogers said that there were a few anomalies in Brymbo and issues needed addressing on Pool Road. A consultation had begun on the speed limit on the link road. No objections had been made with regards to the yellow lines in Tanyfron and parking restrictions had been lifted on High Street.

New litter bins had been received with more due in the near future. There had been issues with grass cutting and the cutting of hedges. Cllr Rogers said that Andy Hughes of WCBC had been very co-operative during the summer. There had been complaints regarding the new black boxes that had been delivered to homes. The funding was not available for the trollies that had been received by some residents. Members commented that these boxes were dangerous as they blew into the road; they did not have holes in for drainage and could put people off recycling as there were now so many different boxes to use.

#### **10. BWLCHGWYN VACANCY**

The Clerk told members that she had not received any applications for the vacancy in Bwlchgwyn. She had contacted Electoral Services who advised her to re-advertise. Notices were given to be placed in the Noticeboards.

#### **11. EXTERNAL AUDIT REPORT**

The Clerk told members that Brymbo Community Council had received an unqualified audit report from the Auditor General of Wales. They wished to draw to the Council's attention (which did not affect their audit opinion) that the minute reference and date of approval of Section 1 and 2 was blank. The Clerk had confirmed that these should read 14 June 2016-11. The re-approval section had been completed on Section 3 despite the fact that the Council was not required to amend the figures.

#### **12. CAE MERFYN PLAY AREA**

Cllr Rogers said that he had spoken to the Tanyfron Councillors regarding a small project for Cae Merfyn Play Area. The fencing did not meet safety criteria and some of the equipment had the same issues. The play area needed refurbishment and the cost would be approx. £30000.00. (Not including fencing). Cllr Shone raised concerns that the land did not belong to the CC and a long term lease would be needed at a peppercorn rent to safeguard the play area for the future. Cllr Rogers said that if this was the case it would lengthen the process of refurbishing the play area. He said that there was no need for a lease. Cllr Mathews said that the CC in the past had said that it would not spend money on land it did not own. Cllr Prince proposed that any decision on the refurbishment of the play area should be deferred until the next meeting when the Councillors of Tanyfron were present. This was seconded by Cllr Woodfine-Jones. A vote was taken. All were in favour.
